Joel Orchard sent a message using the contact form at  
<http://www.thaiorganictrade.com/contact>.

Hello, Santos Trading is a medium sized Organic Distributor in NSW, Australia. We are not quite large enough to be able to import goods as this stage, however we are very interested in a number of Organic Thai products as listed through your website.

Could you please put me into contact with any Australian importers so that we may have contact for supply.

Kindest Regards

Joel Orchard
