

**Subject:** Request on fresh organic fruits & vegetables for EU import certification

**From:** Markus Schmidl <import@scholz-partners.at>

**Date:** 11/20/2013 07:58 PM

**To:** admin@thaiorganictrade.com

Dear ladies and gentlemen,

we are looking for a long-term partnership for production of our new fresh organic fruits & vegetables product:

\*\*\*\*\*

**First I want to introduce our purpose for a long term partnership:**

1. We are searching for one or more suppliers according to the organic fruits and vegetables we need.
2. We want buy EXW your factory/warehouse/farm, only fruits and vegetables with organic certification for the Import to Europe (EU);
3. We will assimilate fruits and vegetables in your local area to accomplish our finished products.
4. Our finished product = a combination of fruits/vegetables/herbages in a single package
5. Quantity of mixed vegetables/fruits: 20 MT per month, continuous increase according our sales in CEE
6. We need only really fresh and ripe fruits (ready to be eaten)

**Production of Single packages for 1 persons use:**

1. We will pick up the foods and vegetables on your warehouse/factory/farm.
2. We will establish our own production or maybe we can do this with you.
3. We need a cold storage house or room for rent.
4. Packages need to be freezed (IQF Individual Quick Frozen).
5. It`s not a problem if you are not interested in the production line.

**Ripe Fresh Organic Fruits we need:**

Papaya, Pineapple, Banana, Kiwi, Blood Orange, Honeydew Melon, Water Melon, Avocado, Mango, Guava, Passionfruit, Coconut, Finger Banana, Pitahaya Dragon Fruit, Pomegranate, Orange (Juicy), Grapefruit, Mandarine Seedless, Strawberry, Rhubarb, Lime, Apples (Juicy), Gooseberry, Raspberry, Blackberry, Peach, Sweet Cherry, Nectarine, Sweet Plum/Fig, Juicy Apricot, Redcurrant, Boysenberry, Sweet Grapes, Pitted Date, Mirabelle, Goji-Berry, Kaki-Fruit, Dried Fig, Dried Fruit  
OTHER ORGANIC FRUITS WHICH CAN BE OFFERED

**Ripe Fresh Organic Vegetables and Herbages we need:**

Bear's Garlic, Chives, Cocktail tomatoes, Red Paprika, Parsley, Basil, Ginger, Galangal, Cuke -Cucumber, Young Spinach Leafs, Field Salad, Beetroot  
Horseradish, Curcuma, Kohlrabi / Cabbage, Carrot-Green, Butterhead Lettuce, Radicchio, Knob Celery, Curly Kale / Borecole, Iceberg Lettuce, Mangold

**OTHER ORGANIC VEGETABLES WHICH CAN BE OFFERED**

Herbages (from Organic Cultivation):

Vanilla Bean, Wild Herbs, Oregano, Chili Pod, Lemon Balm, Mint

**OTHER ORGANIC HERBAGES WHICH CAN BE OFFERED**

**QUANTITY: continuous delivery of 10 to 20 Tons (monthly/2 weeks)**

\*\*\*\*\*

**Information about EU Organic Regulation (EEC) N° 2092/91 and (EEC) N° 834/2007**

You can see more information about "EU-organic-regulation" <http://en.wikipedia.org/wiki/EU-Eco-regulation>  
IFOAM certificated in Thailand:
